Ext.P2 is a consent that was issued by the first respondent for the establishment of a primary crusher unit and the period of which has expired on 25/5/07. Thereupon the petitioner submitted Ext.P4 application for its renewal and it is stated that necessary fee also has been remitted. Despite Ext.P7 representation, orders have not been passed on Ext.P4 and hence the writ petition.

2. I heard the learned standing counsel appearing for the respondents also. Taking into account the above, this writ petition is disposed of recording the submission of the standing counsel that Ext.P4 will be considered and orders passed thereon within a period of one month.

Writ petition is disposed of as above.

ANTONY DOMINIC, JUDGE.
